What will you learn doing this apprenticeship:

- Gain hands-on experience through a safe workplace placement, providing vocational training and education.
- Practical on the job training.
- One-to-one dedicated mentoring.
- Shipyard training facilities.
- Opportunity to earn while you learn.
- You will attend college as timetabled

About you

Essential:

- Hold a minimum a of GCSE grade C/4, National 5 (or Equivalent) in Mathematics and English
- Excellent communication skills with the ability to use your own initiative and a strong drive to succeed are all essential.
- Enthusiasm and determination to learn.
- Self-starter and motivated person.
- Ability to get on with colleagues and customers.
- Commitment to upholding high health and safety standards.
- Responsibility, reliability and dedication.

The Package

- Competitive base pay
- Company pension

- Competitive annual leave allowance
- Life Assurance
- Employee assistance programme
- Excellent L&D opportunities
